Cash prizes to be won!

Young Professionals in Agriculture Forum
“Encouraging excellence in the communication of undergraduate primary production and environmental research”

Abstract submissions open until 24th November 2017

Who can submit an abstract:
Final year undergraduate or honours students or equivalent sized masters projects from 2017 related to
Primary production (agriculture, forestry, fisheries, economics)
or
Environment (natural resource management)

What to submit:
300 word abstract outlining the project background, methodology, results, conclusions, and future work

Finalists are announced in December 2017 and invited to present a 3,000 word scientific paper by Friday 16 February 2018 and a 15 minute oral presentation on Wednesday 21 March 2018

The overall winner will be presented with the Noel Fitzpatrick Medal

Please email abstracts in Word format with your name, address, email and phone number to:
